SUNSET COMMUNITY FARM

2010 CSA

HELPING PEOPLE WORK TOGETHER TO GROW HEALTHY FOOD AND LIVE SUSTAINABLY

COMMUNITY CROPS

BROUGHT TO YOU BY COMMUNITY CROPS

Community Supported Agriculture (CSA) is a group of individuals and families who support a farm by purchasing a share of the season's harvest. Growers and members share support, risks and benefits of production.

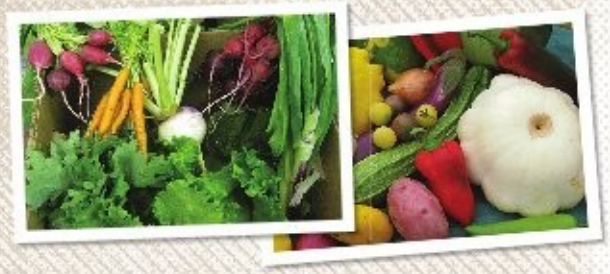
WHEN DO WE START?

The 2010 season will be 20 weeks, from May 24 through late October. Pickup is available on Mondays or Thursdays from 4-6pm at multiple Lincoln locations.



WHAT'S IN THE BOX?

Your box will contain a variety of freshly harvested, seasonal vegetables, along with occasional berries and fresh herbs. **ALL FOOD GROWN AT SUNSET IS FREE OF CHEMICAL PESTICIDES, HERBICIDES OR FERTILIZERS.** We grow many heirloom varieties and unique vegetables you don't normally see at a grocery store. Look forward to exciting ethnic produce grown by the new American farmers in our training program!
