

Organic gardening products available in Lincoln

Pest Management

Diatomaceous Earth (pictured at right)

Use for: aphids, mites, ants, thrips, slugs, snails, and other soft bodied insects

Details: shake on powder

Available at: Earl May, Campbell's Nursery, and Lowe's Hardware Store

Insecticidal Soap

Use for: aphids, scale insects, thrips, and spider mites

Details: spray-on, kills by the spray directly contacting the insects

Available at: Earl May and Lowe's

Neem oil

Use for: chewing and sucking insects, some diseases such as black spot

Details: stops insects from eating and mating, but will not kill instantly. Spray also smothers insects and insect eggs. Neem oil will control some fungal diseases as well.

Available at: Earl May (labeled 'RoseRx') and Lowe's

Dormant Oil (aka all seasons oil or horticultural oil)

Use for: spider mites, aphids, mealy bugs, whitefly and insect eggs

Details: spray-on, kills insects and insect eggs by smothering

Available at: Earl May, Campbell's, and Lowe's

Dipel (Bt)

Use for: caterpillars including cabbage worms and tomato horn worms

Details: dust or spray

Available at: Campbell's and Earl May

Weed Prevention

Organic Preen Weed Preventer (pictured on the left)

Use for: prevents seeds from germinating

Details: granular; use after garden plants have come up. There is also a non-organic Preen that is not approved for organic gardens.

Available at: Home Depot and Campbell's

Orland's Safety Weed

Use for: prevents seeds from germinating

Details: granular; use after garden plants have come up

Available at: Earl May

Perfectly Natural Weed 'n Grass Killer

Use for: weeds and unwanted grasses; will kill garden plants if they are sprayed

Details: spray-on

Available at: Finke Nurseries

Fertilizer

Miracle Gro Organic Choice All-purpose Plant Food (pictured at right)

Details: work into soil

Available at: Lowe's, Home Depot, and Wal-Mart

Espoma Garden-tone

Details: granular; work into soil

Available at: Cambell's

Organic Neptune's Harvest

Details: liquid; made of fish emulsion and sea kelp

Available at: Cambell's

***Fish Emulsion** and **Sea Kelp Concentrate** are also sold separately at Earl May.

When in doubt...look for the 'OMRI Listed' seal or give Amy a call at the CROPS office (474-9802).
